MERCER CULINARY™
A New Tradition™

Fall 2014
From our initial roots primarily selling high-quality cutlery to the foodservice community, Mercer has undergone a substantial evolution, becoming an innovative supplier to chefs. The product offering continues to expand as Mercer transforms problems and frustrations encountered by chefs into new products which create effective and efficient solutions.

Apparel is a natural next step for Mercer. Working side-by-side with chefs for more than 3 decades and leveraging that knowledge, we bring you apparel that can only come from being behind the line. There is tremendous attention to detail in the design of every product, the fabrics chosen, and the construction of the garments.

As Mercer has expanded the product line beyond cutlery, it is important to have a name that fully represents what we offer as a company. Thus, we have established ourselves as Mercer Culinary. A new logo, name and brand feel that represents what we are and the customers we serve.
TABLE OF CONTENTS

FABRIC OVERVIEW

We have chosen fabrics that we believe make sense to the chef community. They are light weight and comfortable, yet mind the safety and laundering needs to be a truly, well-rounded piece of clothing for our profession.

The core products are 65/35 poly cotton twill blends that will stand up to the demands of the job and hold up wash after wash. This super soft fabric has the feel of cotton with superior durability and color retention. A 60/40 cotton poly blend is also available for a more cottonesque feel, but with enough of the poly features to minimize shrinking and ironing. Relaxed-fit pants are made with 100% cotton yarn dye hounds tooth or black cotton twill for great fit and feel.
Every chef deserves a coat that makes them look and feel professional. Mercer offers a wide selection of chef coats to meet the needs of culinary professionals, from line cooks to executive chefs.

RENAISSANCE®
Elegance and design married with comfort and craftsmanship for the contemporary chef. Renaissance features traditional designs with modern features catering to the most discerning Culinarian.
