

MILLENNIA PRIMARY4™

MERCER®

Innovations for Chefs®

Millennia Primary4™ a colorful sequel to Mercer Cutlery's Millennia™ Knives! This new collection of seven professional knives, each available in red, blue, green, and yellow, are perfect for adding a taste of color to any kitchen, as well as easily ensuring hygiene standards. The colored 'Primary4' handles make it easy to avoid cross-contamination.

- High-carbon, stain-free Japanese steel
- Color coded for dedicated use applications in food safety handling management practices
- Ergonomic Santoprene® and Polypropylene handle providing comfort and anti-slip benefits
- Perfect complement to a color-coded cutting board system
- NSF certified
- Guaranteed for life
